

SRI C. M. ARUMUGAM.—So far as legal complication is concerned if non-SC has produced SC certificate and secured the appointment whether that appointment order or intimation order stands? With the connivance of the officers if a non-SC produced a certificate and secured a job it is not legal. If they produced bogus certificates, you take action against the candidate and also against the officer. In this respect I want to make a submission. There are some persons who produces SC certificates and secured jobs. I have received such cases from ITI, HAL, LRDE and BEL factories. There is one Cell in the Department. Probably, they are sleeping over the matter. That means, seats meant for the poorer sections of the community is taken away by these people. Even if they issued the appointment order, they can cancel that order and take action against the candidate.

SRI GOVIND P. VADEYARAJ.—Nobody on the earth can come in the way of reservation order. The question is, as Mr. Arumugam pleaded, if a non-SC candidate produced bogus certificate I am one in asking to take action not only against the officer, but also against the person who produced that certificate. If you feel that some people have produced bogus certificates and somehow managed to get jobs then you have to take action in those cases. You prosecute the Deputy Director, concerned persons and any other officer who is responsible for it. I request you to issue appointment orders at least to general candidates to teach students there. In the interest of the education you take appropriate action in this matter. General candidates who are selected—why can't you send them to teach?

SRI B. SUBBAYYA SHETTY.—Sir, I shall consider the suggestions made by hon. Members—Sri Arumugam, Mr. Kharge and Mr. Vadeyraj immediately and do the needful.

(ii) *re : inadequate quota of buses in Gulbarga District.*

SRI PRABHAKAR TELKAR (Chitapur).—Sir, I call the attention of the Minister for Transport and Tourism to the hardship caused to the public due to inadequate quota of buses in Gulbarga Division.

SRI R. GUNDU RAO (Minister for Transport).—I wish to make the following statement—

Gulbarga District is one the twelve operating divisions of the Karnataka State Road Transport Corporation.

This Division has under its jurisdiction, four Depots viz., Gulbarga-I, Gulbarga-II, Yadgir and Humnabad, for operation of services. This Division is holding 191 vehicles for operation of 163 schedules. The fleet held which is inclusive of 17% spare vehicles, is

sufficient for operation of 163 schedules. However, a large number of vehicles held by this Division are over-due for reconditioning, and these are affecting the normal operations of this Division to some extent.

In this connection, it is stated that 4 new vehicles have been allotted to this Division from April 1978 onwards and it is proposed to allot 25 more new vehicles to this division during the current financial year.

26 vehicles of Gulbarga Division are in the Regional Workshops, awaiting reconditioning. Every month about 5 vehicles of this Division are reconditioned and are returned to the Division.

Proposals are on hand for purchasing about 450 chassis for the Karnataka State Road Transport Corporation and if this proposal materialises, Gulbarga Division will be allotted some more new buses. An "Emergency Gang" from the Regional Workshops, Bangalore, has been deputed to Gulbarga Division to attend to the vehicles requiring immediate body repairs.

As regards breakdowns in Gulbarga Division, it may be stated that the incidence of breakdowns has improved over the years as could be seen from the following table.

	Rate of breakdowns per 10,000 Kms.	
	Gulbarga Division	Overall Mofussil Division
1973-74	0.30	0.39
1974-75	0.23	0.37
1975-76	0.20	0.31
1976-77	0.23	0.28
1977-78	0.20	0.32

Further it may be added that the rate of breakdowns in Gulbarga Division is also low when compared to the overall position for all the mofussil Division.

SRI PRABHAKAR TELKAR.—I found that the plying of buses in Gulbarga Division is not at all sound. Particularly in Chithapur Taluk not a single bus comes intime. There are instances where buses are plying late by 4-5-6 hours. When questioned, the officers say: 'There are no buses'. If you can take out from any places and see that a single bus comes in time, it will be very good work that the Corporation will be doing. Will the Government take any action?

According to your report, only four buses have been given. I request that the Minister may immediately provide new buses particularly in Chithapur Taluk, where the buses are plying late by 4 to 6 hours. Will the Government take immediate steps?

**SRI R. GUNDU RAO.**—The Corporation will take necessary action to see that punctuality is maintained and the buses will run on time and conditioned buses are put on this division.

(iii) *re : insufficient time given to candidates for submission of applications for admission to the M.B.B.S. course.*

ಶ್ರೀ ಎಚ್. ಗಂಗಾಧರನ್ (ಕೃಷ್ಣರಾಜ)—ಮಾನ್ಯ ಸಭಾಧ್ಯಕ್ಷರೇ, ಮಾನ್ಯ ಆರೋಗ್ಯ ಸಚಿವರ ಗಮನವನ್ನು ಸೆಳೆಯುವುದಕ್ಕಾಗಿ ಪ್ರಮುಖವಾದಂತಹ ನಿಲುವಳಿ ಸೂಚನೆಯನ್ನು ತರುತ್ತಿದ್ದೇನೆ. ಈಗಾಗಲೇ ರಾಜ್ಯದಲ್ಲಿ ಎಲ್ಲರಿಗೂ ಗೊತ್ತಿರುವ ಹಾಗೆ ಎಲ್ಲಾ ಪರೀಕ್ಷೆಗಳು ತಡವಾಗಿ ನಡೆದಿವೆ. ಮತ್ತು ಫಲಿತಾಂಶಗಳೂ ಕೂಡ ತಡವಾಗಿ ಪ್ರಕಟವಾಗಿವೆ. ಆದ್ದರಿಂದ ಈಗ ಮೆಡಿಕಲ್ ಕಾಲೇಜಿಗೆ ಸೇರುವುದಕ್ಕೆ ಅರ್ಜಿಗಳನ್ನು ನೀಡಲು ತಾರೀಖು ಕರೆದು ೧೨ನೇ ತಾರೀಖು ಕೊನೆ ಎಂಬುದಾಗಿ ಸರ್ಕಾರದವರು ನಿಗದಿ ಮಾಡಿದ್ದಾರೆ. ಆದರೆ ಬಗ್ಗೆ ಮಾನ್ಯ ಆರೋಗ್ಯ ಸಚಿವರ ಗಮನವನ್ನು ಸೆಳೆಯುತ್ತಿದ್ದೇನೆ.

**SR. M. MALLAPPA** (Minister for Health and Family Welfare)—Regarding hardship caused to the students in not giving sufficient time for submission of applications for admission to M.B.B.S. Course I wish to make the following statements.

The application for admission to Government Medical Colleges in the State have been advertised and the last date is fixed on 12th July 1978. Last year, it is seen from the records that about 8 days interval was given for the students to apply for the Medical Colleges. As could be seen from the advertisement they have been given 10 days for the students to observe all the formalities and to file applications for admissions.

According to Indian Medical Council stipulations admissions to I MBBS shall have to be completed before 15th of August of every academic year. It is regulation of the University also to adhere to these directions. In conformity with the Rules of the Indian Medical Council and the University the date is fixed to facilitate the Committee to finalise the selections so as to enable the students to get admission on or before 15th August.

It will be appreciated that the students who do not get admitted even after the final list is announced the second list will have to be prepared so as to enable the students to get admission to Medical Colleges, before 15th August. I think the date allowed is more than sufficient for the students to file the applications. If any difficulty is experienced by the students, the Government will consider the request and give some more time for the student to apply. But the last date fixed by the I.M.C and the University will have to be adhered to.
